

Help Needed for Our First Neighborhood Street Fest

Street Fest, a big neighborhood-wide event to celebrate our Bates-Hendricks community, is quickly approaching! The Bates-Hendricks Neighborhood Association is looking for help to ensure the event goes smoothly. We currently are in need of the following:

- Volunteers to work the event (setting up, tearing down, working the children's area)
- Sponsorships from local businesses to assist with costs for the event
- Vendors to set up a booth with food, merchandise, or general public information

You can reach out to either Liz (events@bateshendricks.org) or Laura (president@bateshendricks.org) for more details. We can't wait to see everyone on August 5 from 6:00pm to 10:00pm on Lincoln Street and S. New Jersey Street!

Smoke Alarm Event

On May 25 volunteers from the Bates-Hendricks Neighborhood, Indianapolis Fire Department, and the Red Cross spent the morning blitzing the neighborhood checking on smoke alarms and carbon monoxide detectors for residents. All together, crews knocked on 281 doors and installed 57 alarms for free in our neighborhood. We also thank The Lincoln Center for hosting these volunteers for the day. If you are in need of new smoke alarms in

your house, you can call the fire department at 317-327-6093 to request a visit from the installation team.

"Good Bones" Watch Party

On Tuesday, May 30 at 10:00pm, about 25 neighbors gathered at The Lincoln Center to watch the season 2 premier of HGTV's "Good Bones", a home renovation show that is filmed in Bates-Hendricks and neighboring Fountain Square. The Lincoln Center provided chairs and refreshments to enjoy the episode on their large projection screen. Best of all, neighbors got to socialize with one another while enjoying the show.

Letter from the President

Neighbors,

Over the past few weeks I've had the pleasure to meet many of you at Lincoln Lane Coffee Co. as you grab your coffee or while installing smoke alarms in houses and I'm always in awe of the wonderful sense of community that Bates-Hendricks has. We have generations of families living houses apart and new neighbors moving in and eager to meet new people. With the summer months here, remember this as you start to see new people out and about on your street. What makes us unique is our friendliness and dedication to keeping Bates-Hendricks what it is: a family-friendly, welcoming community. Don't be afraid to say hello to a new neighbor while walking the dog or mowing the lawn. The greatest asset we have to preventing crime are the people living right next to us.

Nervous about meeting new neighbors? Our new events committee is working on planning smaller events throughout the summer to encourage socializing with your street or interest group. Make sure to follow us on Facebook and sign up for our mailing list on our website to get details about upcoming neighborhood events!

See you around!

BHNA President, Laura Giffel

East Street Apostolic Church Celebrates Indy Pride By East St. Apostolic Church

On Saturday, June 10, many from our neighborhood, including members of East Street Apostolic Church, will gather in downtown Indianapolis to celebrate Indy Pride. For all 6 years of our church's existence, we have maintained a presence at the Pride festival as a vendor and, in recent years, within the Pride parade itself.

This year, East Street is hosting a special event the day after Pride on Sunday, June 11 at 3:00pm to explore what the Bible does and does not say on the topic of human sexuality. We will "un-clobber" the passages in the Bible that have traditionally been used against the LGBTQ community. A Q&A session will follow the service. Since so many people from the LGBTQ community (and their allies) face varying amounts of discrimination from the church, we decided to tackle the issue head-on.

Everyone is also invited to join us afterwards in Baumann Park (just behind the church) for a picnic lunch!

East Street Apostolic Church, located at 1909 S. East St., is an Affirming Congregation that welcomes ALL people to come and worship!
